

# St Anthony's Hospital

## Personal Profile

### **Mr R J I Colville FRCS**

I graduated from University College Hospital, London in 1992 and gained my FRCS five years later having worked in orthopaedic, general and paediatric surgery at the Norfolk and Norwich.

My plastic surgery training begun in East Grinstead and I spent 6 years in Newcastle which had a comprehensive training programme and included cosmetic surgery.

I have recently spent one year in the world renowned Louisville Hand centre in the USA, as a Hand and Microsurgery Fellow. I was awarded my Certificate of completion of training in plastic surgery in 2004 and placed on the GMC specialist register in 2005.

I was appointed as an NHS Consultant to St George's Hospital, Tooting as a Plastic and Hand Reconstructive Surgeon in August 2005 and i have a honorary appointment with St Helier's and Epsom hospitals trusts where I hold clinics and operate on a weekly basis.

My research interests include an MSc investigating rheumatology patients which lead to an international publication and presentation and I have published in national and international plastic surgery journals on subjects from hand arthritis surgery to breast implants.

My involvement in hand surgery includes carpal tunnel, dupuytren's contracture and rheumatoid and osteoarthritis surgery as well as trauma and reconstruction. My private surgery interests include hand, breast and abdominal procedures. I am a member of the British Association of Plastic Surgeons, and the British Society for Surgery of the Hand.
